		D silver	rose-colored			
Eudoxa wound gut core string	available in 3 gauges	A	black	"stiff" ruby-colored	white with violet spiral	<ul style="list-style-type: none"> excellent warm sound which offers a high ability of modulation quickly tuned per 1/4 PM the tension alters by 3%
		D	red			
		G	brown			
Gold wound gut core string	medium	C	violet		yellow with olive spiral	<ul style="list-style-type: none"> powerful warm sound easy response
		G	brown			
Chorda plain gut string	available in up to 3 gauges	A plain	black		yellow	<ul style="list-style-type: none"> authentically priced gut string beautiful warm sound quickly tuned
		D plain	red			
		G silver-plated	brown			
		C silver-plated	violet			<ul style="list-style-type: none"> typical warm and soft sound of traditional gut strings; high ability of modulation quickly tuned per 1/4 PM the tension alters by 3%
		G copper	brown			
		C copper	violet			<ul style="list-style-type: none"> gut string wound with copper wire

We recommend the versions Oliv "stiff" (Art.-No.: 2202 + 2203 + 2204) and Eudoxa "stiff" (Art.-No.: 2232 + 2233 + 2234) because of the well-known strong tone.

Gauge List

quality	tone		gauge		
			3	4	5
